

WHAT IS TECH PREP?

Tech Prep identifies high school course comparable to Mt. San Jacinto College courses and creates articulation agreements between them. These agreements allow students at their high schools who receive a B or better in a Tech Prep course and on the final to earn college credit at Mt. San Jacinto College without paying any tuition or fees.

Students complete an application while in their articulated high school class (necessary for receiving their college credit). Credit will be applied to students' Mt. San Jacinto College transcript one semester after the high school course has been completed.

MSJC provides guidance for students, parents and high school staff regarding the Mt. San Jacinto College procedures for the college and secondary articulation process.

CAREER OPPORTUNITIES

- * Emergency Medical Technician (EMT)
- * Certified Medical Assistant (CMA)
- * Health Care Technician
- * Certified Nurse Assistant (CNA)
- * Certified Home Health Aide (CHHA)

AH-120: EMERGENCY MEDICAL TECHNICIAN I

This semester course provides the student with the knowledge and skills to care for the ill or injured person in the pre-hospital setting. This course is taken to help the student prepare for working with fire service or ambulance service. Completion of this course qualifies the student to sit for the National Registry certification exam which is a required certification for Fire Service or Ambulance service work.

The More You Learn the More You Earn

MEDICAL ASSISTING

"MSJC offers a range of course work to prepare students to transfer to four-year colleges and universities."

MEDICAL ASSISTING PROGRAM DESCRIPTION

MSJC offers several career options in the health field, ranging from medical office assistant through nursing. These careers are described on the following pages. Every interested student should begin with AH-070 (Survey of Health Occupations) which describes the careers available in the health field.

Several careers can be entered with a very short preparation. For instance, the Certified Nursing Assistant, Home Health Aide (CNA/HHA), Emergency Medical Technician (EMT) and the Medical Office Assistant programs take a qualified applicant only one or two semesters to complete.

A.S. IN MEDICAL ASSISTING (24 UNITS)

The Certificate/Associate of Science (AS) degree program in Medical Assistant studies (24 units) prepares students for a career in the health care profession as a Medical Assistant. An **Associate degree** in Medical Assisting may be earned by completing the Certificate requirements as well as all MSJC General Education Option A requirements.

REQUIRED COURSES (24 UNITS)

| | | |
|----------|--|---------|
| NURS-100 | INTRODUCTION TO ANATOMY & PHYSIOLOGY | 3 UNITS |
